

```
for (let i = 1; i <= 50; i++) {  
  // If i is divisible by both 3 and 5, "FizzBuzz" will be logged to the console.  
  if (i % 3 == 0 && i % 5 == 0) {  
    console.log("FizzBuzz");  
  }  
  // If i is only divisible by 3, "Fizz" will be logged to the console.  
  } else if (i % 3 == 0) {  
    console.log("Fizz");  
  }  
  // If i is only divisible by 5, "Buzz" will be logged to the console.  
  } else if (i % 5 == 0) {  
    console.log("Buzz");  
  }  
  // i will be logged to the console in all other cases.  
  } else {  
    console.log(i);  
  }  
}
```
